From

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Local Self Government Department, Bangalore.

Sir,

Grant of a loan of Rs 300/- to Narasandra Village Panchayet, Magadi taluk, waiving the interest on the loan.

In forwarding herewith copies of the* marginally noted correspondence on the above subject, ending with Bangalore Deputy Commissioner's letter No.C2.(a) 808/37-38 dated 10th October 1938, I have the honour to state that it is reported that an extent of 3 acres 34 guntas of land (vide margin)@ is proposed to be acquired for Village extension and the probable cost of acquisition is estimated at Rs 320/-. The land to be acquired is proposed to be divided into 18 sites each measuring 100' x 50' and the upset price is fixed at Rs 18/- per site, which will fetch a sum of Rs 324/- in all. In pursuance of a notice published in the Village calling for applications from persons requiring house-sites as per Government order No.L.5440-50/V.P.42-34-29 dated 7th February 1935, it is reported that only 10 applications were received and that each applicant has deposited a sum of Rs 5/- towards the upset price of the sites. In view however of the urgency of the work, the local officers have proposed that instead of waiting till the full cost of acquisition is deposited in advance, acquisition proceedings may be taken and the

sites disposed of in public auction.

2. As regards the cost of acquisition, the Village Panchayet of Narasandra have resolved to take a loan of Rs 300/- from Government repayable in five annual instalments, the interest on the loan amount being wafved in view of their slender resources. The formalities prescribed in Rules 140-148 of the Rules under the Village Panchayet Act for the raising of loans by Village Panchayets are stated to have been followed. The Amildar and the Sub Division Officer have suggested that an advance of Rs 300/- may be sanctioned to the Village Panchayet (inestead of a loan) subject to recoupment in 5 annual instalments. But as advances sanctioned to Village Panchayets for acquiring lands required for Village extensions have to be adjusted within 3 years only as per Government order No.L.7182-91-V.P.13-26-4 dated 26th April 1929, the Deputy Commissioner has proposed that a loan of Rs 300/- will be sanctioned as the Village Panchayet cannot repay the advance within 3 years.

Under rule 148 of the rules under the Village Panchayet Act, the amount of loan to be sanctioned viz Rs 300/- can be done by the Deputy Commissioner. But in view however of the fact that the Village Panchayet is poor having an annual demand of Rs 90/- only, the Deputy Commissioner has recommended that the interest on the amount of Rs 300/- to be sanctioned as a loan may be waived.

In the circumstances reported, I agree with the Deputy Commissioner and recommend sanction to his proposal as a special case
